

Special Enrollment

Get *free* help finding health coverage after a qualifying life change

You may qualify for special enrollment—an opportunity to renew, review, or explore new health coverage outside of open enrollment—if, in the past 60 days, you or anyone in your household:

- Lost qualifying health coverage
- Got married, divorced, or legally separated
- Had a baby, adopted a child, or placed a child for foster care
- Moved to a new ZIP code, county, or to the U.S. from a foreign country or United States territory

For additional qualifying events, talk to your Enroll Wyoming Navigator.

Working with a friendly Enroll Wyoming Navigator, you'll get **free support and guidance** finding health coverage that matches your needs and budget!

How it works

Connect

Visit EnrollWyo.org to find an Enroll Wyoming Navigator and make an appointment to meet in-person or online.

Apply

If you'd like, your Navigator can help you complete your application for the Health Insurance Marketplace, Wyoming Medicaid or CHIP. They can also let you know if you qualify for cost assistance to help pay for premiums and out-of-pocket expenses!

Compare

Whether you're exploring the Health Insurance Marketplace, Wyoming Medicaid or CHIP, your Navigator can answer any questions about coverage options, eligibility, cost assistance and more.

Enroll

Together with your Navigator, you'll complete the steps to finalize enrollment in either a Health Insurance Marketplace health plan, Wyoming Medicaid or CHIP.
